2007 Edition - Volume Six

September 24, 2007

Fall Technical and Special Issues Conference Is Coming October 9!

The Fall Technical and Special Issues Conference, sponsored by the Ohio Oil and Gas Association and the Society of Petroleum Engineers Ohio Petroleum Section, is only two weeks away! This year's conference will be held Tuesday, October 9, at the Akron/Fairlawn Hilton (3180 West Market Street) in Akron, Ohio.

Sign up today to hear presentations on various industry topics, such as:

Dominion East Ohio Metering Proposal

Public Lands Leasing in Ohio

Production Enhancement Moving Forward

The Rockies Express Pipeline

Coal vs. Oil and Gas Interests

Fracturing Diagnostics

Experience Gained via the Marcellus Shale in Northern West Virginia

Emerging Gas Shale Plays in the Appalachian Basin

The Trenton/Black River Play and Your Portfolio

You may register for this event one of two ways. You may download the registration form included with this edition of the OOGA Express and send it in. In addition, you may go to www.ooga.org. On the front page, you will find a link to all the information you'll need. This includes a registration form and an informational brochure, detailing directions, hotel accommodations, and other important conference information.

2007 Appalachian Producers Seminar Begins October 23! Sign up Today!

IOGA-West Virginia will be hosting this year's Appalachian Producers Seminar on October 23-24, 2007 at the Charleston Embassy Suites, Charleston, WV. The event, sponsored by OOGA, IOGA-NY, IOGA-PA, IOGA-WV, and the Kentucky Oil and Gas Association, will include several discussion topics, such as:

Pipeline Expansion Projects

Pipeline Capacity

Global Warming

IPAA Issues Update

Winter Weather Forecast

For more information on this event, including how to register, please go to www.ooga.org or www.iogawv.com.
