OBJECTIVE

To obtain employment as an Oil & Gas Landman. I am self-motivated and work well in a team environment. I am a dynamic, results-driven person who possesses excellent verbal and written skills.

EDUCATION

JOHN CARROLL UNIVERSITY, Cleveland, OH
B.A., Communications

May 2006

WORK EXPERIENCE

JR RESOURCES INC., Richfield, OH

Landman

2006 - 2008

- Gained a working knowledge of mineral conveyancing, titles, and basic land practices
- Experienced in negotiating and utilizing the oil & gas lease and various basic industry contracts
- Compiled take-offs using Ohio county GIS web-sites and courthouse records to identify property owners in areas of interest
- Prepared detailed prospect evaluations on areas held by production
- Utilized Google Earth to prepare aeriels identifying land owners, well spacing & location, and property access
- Familiarized with the primary well trade agreements, including farmouts, options, joint operating agreements, and areas of mutual interest

SMART CIRCLE INTERNATIONAL, Cleveland, OH

Sales & Marketing Team Leader

2007

- Promoted and successfully sold advertising campaigns for the Cleveland Indians and local golf courses to increase brand awareness and foot traffic
- Led and trained a sales team that gained a solid foothold in the Cleveland market
- Planned marketing and sales territories to generate new customers
- Targeted decision making executives and local officials to drive sales and develop a level of credibility and integrity

BASS ENERGY INC., Akron, OH

Communications Assistant Intern

2005

- Created Marketing Communications Plan to ensure focus, consistency and achievement of Bass Energy's goals
- Participated in strategy sessions with Ohio Oil & Gas Association consultants and attended meetings with North East Ohio media outlets. Observed these meetings and wrote call report summaries
- Worked with the Marcus Thomas agency for several days and conducted phone interviews to increase efficiency in the preparation of a media packet

FOX 8 NEWS, Cleveland, OH

News Assignment Desk Intern

2005

- Attended and participated in daily meetings with news reporters, producers, assignment editors, and the news director to discuss assignments and order of the news
- Utilized interpersonal communication skills to build relationships with the FOX 8 news staff
- Conducted rounds calls to North East Ohio police stations for breaking news
- Instrumental in assisting assignment desk operations including story generation and guiding field crews

SHAKER COUNTRY CLUB, Shaker, OH

Assistant Tennis Pro and Instructor

2003 - 2004

- Led the Shaker Country Club youth summer tennis team
- Provided instruction and training for recreational and advanced players, including juniors and adults
- Offered lessons focusing on stroke production, strategy, footwork, and mental preparation
- Taught doubles strategy for all levels, covering poaching tactics, shot making, serving, and returning serve

AFFILIATIONS:

- American Association of Professional Landmen
- Ohio Oil & Gas Association
