The excitement of change and the promise of growth. That's what you'll find in today's dynamic energy industry and in a career with Dominion.

**Job Title:** Compressor Station Operator Sr.

**Location:** New Hartford, NY

**Requisition Number:** 10723BR

Dominion East Ohio Gas is looking for an experienced Compressor Operator to join our New Hartford office....

**Job Summary:**

- You will operate engines, compressors and auxiliary equipment and perform minor repairs to equipment and tools at a natural gas compressor station.
- You will maintain equipment (check fluid levels, temperatures, engine and oil pressures, manage waste fluids, etc.)
- You will assist in repairing (may involve major overhauls) engines, air compressors, generators, dehydration equipment, etc., as well as maintain facilities.
- You will operate computerized station controls and change pressures and route gas, prepare written reports, regulate and report pressures, and calculate and report volumes.

**Requirements:**

- Experience with industrial equipment, pumps, electrical motors, controls circuitry, and natural gas reciprocating engines or the equivalent
- Previous natural gas experienced
- Proven mechanical and intermediate computer skills are required.

**Dominion®** is one of the nation's largest producers and transporters of energy, with a portfolio of approximately 26,500 megawatts of generation, 1.1 trillion cubic feet equivalent of proved natural gas and oil reserves and 14,000 miles of natural gas transmission, gathering and storage pipeline. Dominion also owns the nation's largest underground natural gas storage system and operates more than 975 billion cubic feet of storage capacity, and serves retail energy customers in 11 states. Come experience the excitement of our company--it's the difference between taking a job and starting a career.
